# Tutorials 4: Pixel graphics

## Naloge

1. Follow the tutorial (from start to finish) on webpage:
   https://www.gimp.org/tutorials/Layer_Masks/
2. On e-classroom you can find images **castle.jpg**, **grass.jpg**, and **clouds.jpg**. Download them to your computer.
3. Change image **castle.jpg** by replacing water with grass from image **grass.jpg** and clouds with clouds from image **clouds.jpg**.
