

ABC kršitev in plagiatorstva

A) Kaj je plagiatorstvo in kaj so kršitve?

Plagiatorstvo je prevzemanje in objavljanje tujega dela pod svojim imenom ter sodi med prepovedana in kazniva dejanja. Pod kršitve pa se šteje tudi če študent:

- med potekom preverjanja in ocenjevanja znanja na nedovoljen način sodeluje z drugimi osebami, od njih prepisuje oziroma uporablja nedovoljene pripomočke ali če kakorkoli moti potek preverjanja in ocenjevanja znanja;
- opravlja oziroma poskusi opravljati preverjanje in ocenjevanje znanja namesto (drugega) prijavljenega študenta ali če dovoli, da namesto njega to opravlja ali poskusi opravljati kdo drug;
- pri seminarskih nalogah in drugih pisnih izdelkih prepíše besedila drugih avtorjev v celoti ali delno ter jih uporabi kot svoja lastna oziroma če pri posameznih delih besedil, ki jih prepíše, ne navaja avtorja (plagiatorstvo).

B) Posledice kršitev ali plagiatorstva?

Plagiatorstvo ter ostale kršitve sodijo med prepovedana in kazniva dejanja, ki se lahko uvrščajo med lažje ali med težje kršitve.

Za lažje kršitve se lahko študenta kaznuje z opominom, prepovedjo opravljanja izpita pri predmetu za določeno obdobje, prepovedjo prijave iste teme seminarske naloge ali zaključnega dela.

Za težje kršitve se lahko študenta kaznuje z ukorom za težje kršitve dolžnosti in neizpolnjevanja obveznosti, začasno izključitvijo z univerze za obdobje od 1 do 5 let in je študentu v tem obdobju onemogočeno opravljanje katerihkoli študijskih obveznosti ali pa z dokončno izključitvijo z univerze.

ABC about plagiarism and violations

A) What is plagiarism and what are violations?

Plagiarism is the taking over and publishing of another's work under its own name and is one of the prohibited and criminal acts. Violations are also considered if the student:

- cooperates with other persons during the course of examination and assessment of knowledge, copies from other students or uses unauthorized devices, or in any way disturbs the course of examination and assessment of knowledge;
- performs or attempts to perform examination and assessment of knowledge in the place of another registered student, or if he / she allows someone else to do it or tries to do it;
- copies the texts of other authors wholly or in part for research papers and other written works, and uses them as their own, or does not cite the author (plagiarism) for individual parts of the texts he / she rewrites.

B) Consequences of violations or plagiarism?

Plagiarism and other violations are prohibited and fall under criminal offences which may be classified as minor or serious violations.

For a minor violation, the student may be punished with a formal notice, a ban on taking the exam for a specified period, a ban on submitting the same topic of a research paper or final work.

For serious violation, the student may be punished by reprimand for serious misconduct and failure to fulfill obligations, suspension from the university for a period of 1 to 5 years, and during that period the student is prevented from performing any study obligations or by being permanently excluded from the university.
